

VIDYA PRATISHTHAN'S NEW BAL VIKAS MANDIR PIMPLI-BARAMATI
Annual Curriculum Plan 2023-2024
Subject- Mathematics

Class: II

Month	Working days	Topic	Learning Outcomes	Subject Enrichment Activity (SEA)	Assessment
First Term April 2023 - September 2023					
April	16	2-digit Numbers - Place Value - Comparing and arranging	Students will be able to read 2 digit numbers, compare numbers and rearrange them.	Board Game: Grandma's Apple Orchard 	
June	15	- Before, After and Between - Addition with carrying	Students will be able to add numbers by regrouping (0's, 10's)	Spin and Build 	First Unit Test
July	21	Subtraction with Borrowing	Students will be able to solve daily life situations based on subtraction.	Frame a word problem based on addition subtraction	
August	23	3- Digit Numbers - Adding and Subtracting hundreds	Students will be able to - i) recognize the place value of the digit. ii) expand the given numbers. iii) apply knowledge of addition and subtraction in day to day life.	Maths Lab: Reading three digit number using Place Value Board. 	Notebook Assesment and SEA Assesment
September	24		Revision		First Term Exam

Second Term October 2023- March 2024

October	24	Multiplication Patterns	Students will be able - i) to multiply numbers by regrouping ones. ii) concept of repeated addition.	Multiplication activity by using Ice-cream sticks. 	
November	15	Geometrical Shapes Division	Students will be able to- i) do equal sharing and grouping ii) divide by using repeated subtraction. iii) use long division method. iv) identify different mathematical shapes and understand their real life application.	Show the various Geometrical shapes using match sticks. 	
December	18	Money	Students will be able to i) identify coins and notes. ii) Exchange the currency in day to day life. iii) create different patterns using different shapes.	Prepare a bill for any 5 items purchased from the shop. 	
January	25	Measurements	*Students will learn different units of measurements for- i) Length (cm, m) ii) Weight (g, kg) iii) Capacity (ml, l) *Students will learn to read the time using clock.	Measuring height of a friend using measurement stand. 	Second Unit Test

February	23	1. Data Handling 2. Revision	Students will learn to- i) collect and record data from the given pictograph.	<p style="text-align: center;">Pictograph</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th style="text-align: left;">Activity Club</th> <th style="text-align: left;">Number of Children</th> </tr> </thead> <tbody> <tr> <td>Art</td> <td></td> </tr> <tr> <td>Dance</td> <td></td> </tr> <tr> <td>Sculpture</td> <td></td> </tr> <tr> <td>Literary</td> <td></td> </tr> </tbody> </table>	Activity Club	Number of Children	Art		Dance		Sculpture		Literary		Notebook Assesment and SEA Assesment
Activity Club	Number of Children
